

DIRECTIONS TO SUNSET PARADISE VILLAS

Before you leave home... Get some good maps of Puerto Rico. You may want to go to Mapquest.com or other mapping web site to get an idea of where you are going. Type in PR for the state and then zoom in to get maps of Rincon and San Juan. Bring them with you in your carry-on bag. You will be very glad you have maps of these areas

Follow these directions FROM THE SAN JUAN AIRPORT. NOTE...Words in brackets () below are the Spanish words. Many road signs are only in Spanish. The distances below are approximations, intended to give you a general idea of how far you will travel on each road.

- 1) Take highway 26 north (norte)...Also called (LOI ZA EXPRESO) approx. 3 miles.
- 2) Take highway 22 west (oeste)...Also called (DE DIEGO EXPRESO) approx. 47 miles.
NOTE...highway 22 is a Toll Road. Unless prices have risen you will need \$3 - \$4 for tolls.
If you have exact change, in quarters, you can go to the lanes marked, "C". Otherwise, go to a lane with an attendant who will take your paper currency. Highway 22 merges onto highway 2 west (oeste).
- 3) Take highway 2 west (oeste) approx. 35 miles. Note...if you reach the town of Mayaguez, you have gone several miles too far.
- 4) Turn right...west (oeste) on road 402. NOTE...While you are still on highway 2, road 402 is at the bottom of a long hill. As you are coming down the hill on highway 2, look for a McDonalds restaurant on your right. Turn right on 402, just before the McDonalds. You may see a sign that says, "Rincon 15 kilometers".
- 5) Take road 402 approx. 2 ¼ miles to where it ends at road 115. Turn right on 115. This will take you into Rincon.
- 6) Take road 115 approx. 4 ½ miles to street 11 (Calle 11). NOTE...while traveling on 115 you will pass the intersection of 115 and 429 twice because 429 makes a "U" off 115 and then rejoins 115. When you reach that second intersection of 115 & 429, slow down and watch for street 11 (Calle 11)...you are about ¼ mile from your next turn at street 11 (Calle 11). At this point you will see a large sports complex on your left and a Burger King restaurant on your right. Once you pass the Burger King, Calle 11 is the second street on your left.
- 7) Turn left at Calle 11. NOTE...At one corner is a blue utility sub station. At the other is a Texaco gas station. There is also a large, bell-shaped planter at the corner.
- 8) Turn left when the road dead-ends at the ocean. There will now be a park on your left and a park and ocean on your right. The road will split.
- 9) Drive to the right at the split. Villa 2, at 2942 Calle 10, is the second property on the right. To get to Villa 1, at 2950 Calle 10, continue down the street past 3 more houses on the right...Villa 1 has a blue torpedo mounted on the fence. Both houses have "Sunset Paradise Villas" signs mounted on the front of the house.
