

Move-In Information

Check in time is any time after 3 PM. When you get here, there will be a small, white push-button style box installed by the front door. This box holds the key to the door. To open the number box, firmly press the buttons, 1 at a time. You should already have been sent the combination, but if you lost it, or can not find it, please call Gladys at 787-823-7183 or her cell phone is 787-216-9558. If no answer, you may also try Hector, her husband on his cell which is 787-216-9560. If all else fails call us at 1-800-875-6399 or try Joyce on her cell phone which is 623-866-8613. After you enter the combination, push down on the tab at the top and pull towards you...the front opens and the key is inside. To re-close the lock box you may have to re-enter the combination. Check out is by 10 AM on the day of departure. If you have any problems, questions, or if you need late check out, please contact us. We try to be accommodating, but during busy season it is sometimes not possible.

Our units are fully equipped so there is very little you need to bring. If you do forget anything, don't worry, it can be purchased locally, on a short trip away in Mayaguez at Kmart, Wal-Mart etc. If you enjoy music, bring some of your favorite CD's or tapes. Don't forget your suntan lotion and sunglasses. Last, and far from least, bring a positive attitude to have a good time. Things are slower paced down here, and there is a "manana" attitude (put it off until tomorrow). Relax, enjoy, and take things as they come. We look forward to your visit. Have a safe trip, and thank you again for your deposit, and we hope you enjoy your stay with us. Please call if you have any additional questions or if we can be of further service.

Thank you again for choosing Sunset Paradise Villas
