Enjoy - right outside on the South side between villa 2 and villa 3 is additional common area.

Rooftop Swimming Pool - Go up the stairs on the South side to the rooftop pool area.

Lights - We have a security light on the rear of the house and we have our house numbers on the front of our house. They will come on automatically at night and turn off during the day.

Washer and Dryer - We also provide a washer and dryer for your use. They are located under the stairs off the common area. If the room is locked, contact Holly at 787-340-8319. Since the washer and dryer are shared, please remove your clothes as soon as they are finished, so others may use the machine. There should be an iron and ironing board in a bedroom.
